To Whom It May Concern:

This letter is in response to the notification our committee received regarding the above referenced report.
Please see below for our complete response.

All contributions that were reported for the general election were in fact for the general election. The contributions in question were received through the mail so they were made on the date of the postmark. Our committee maintains these envelopes as proof to demonstrate this fact. The reported date was the deposit date which can be up to several days later.

We trust that this response clarifies our report and completes the public record. Should any further information be needed, please contact us.

Thank you,

Gingrey for Congress
